## ABSTRACT SUBMISSION FOR WASPaLM 2022

- Abstracts can be submitted until July 31, 2022 at 12:00 CEST.
- Notifications of abstracts (accepted, rejected, corrections) will be sent by August 31, 2022 at 12:00 CEST.
- Abstract notifications (corrections: accepted or rejected) will be sent on September 08, 2022 at 12:00 CEST.
- For abstracts chosen for oral presentation, the presentation slides must be sent to the organization by September 23, 2022 at 12:00 CEST.

The only accepted language for abstracts and posters is English. In case of oral presentation, Spanish and English will be accepted.

The submission template contains 4 fields, please fill your abstract body in the following fields: Background/Methods/Results/Conclusions

### Authors

Please double check that the names of author(s) and their affiliation(s) are correctly spelled, with appropriate capitalization and punctuation. Names and affiliations cannot be edited by the submitter once submitted, and will be published exactly as inputted.

### Text

ALL CAPS for text (other than abbreviations or acronyms) are not allowed. The abstract text may not be longer than a maximum of 350 words.

### Title

Abstract titles must be submitted according to the scientific rules and should be succinct.

Titles in ALL CAPS (other than abbreviations or acronyms), brand names are not allowed.

XXVI Congreso de la  
Asociación Latinoamericana  
de Patología Clínica/Medicina  
de Laboratorio

**WASPALM**

XXXI World Congress of  
World Association of Societies of  
Pathology and Laboratory Medicine

1st International Meeting of  
Medical Residents in Pathology  
and Laboratory Medicine

XVIII Congreso Uruguayo  
de Patología Clínica

**“Pathology and Laboratory Medicine, beyond technology and health care”**

### Abstract body

Use the provided fields to draft your abstract. Please ensure that the different sections of your abstract are entered into the appropriate textbox. For research abstracts briefly state the background and context of research and its goals. The Methods section should provide minimum required information on the research setting, data collection and analytical methods used. Results presented in the abstract should not be previously published. For case report, emphasize the unique aspects of the case and discuss the learning points emerging from the case(s).

### Tables

Authors may include a maximum of 1 table per abstract. If the table is inserted in the text field of the abstract body, please note that any words therein will count towards the total.

### Abstract topics

The list of abstract topics is:

- Clinical biochemistry
- Critical care, Point of care
- Hematology/Coagulation
- Haemotherapy
- Immunology and Autoimmune Disease
- Laboratory management
- Microbiology (including virology and bacteriology)
- Mycology and parasitology
- Molecular diagnostics
- Pathology
- Miscellaneous

Please choose the best-fitting abstract topic to ensure a sound and fair review by the most suitable reviewing expert.

### Submit your abstract

Medical Residents in Pathology  
and Laboratory Medicine

XVIII Congreso Uruguayo  
de Patología Clínica

**“Pathology and Laboratory Medicine, beyond technology and health care”**

Please make sure to have all fields completed before you finally submit your abstract. You will receive a confirmation by email after the submission (please make sure to state your correct email address!). Changes in the abstract title are not possible after submission. Please note that emails regarding the submission (acceptance, rejection, corrections) will be sent to the submitter. All correspondence regarding acceptance or rejection, including further information on the mode of presentation etc. will be sent to the submitter author.

#### **Final check and certification**

Following WASPaLM, a certificate of presentation will be sent **to the submitter author only**. He/She is then responsible for disseminating this certificate amongst any co-authors.

For those with an oral presentation, the presentation slides must be sent to the organization by the specified deadline in acceptance letter, as well as presented, in order for a certificate to be awarded.
